# Membership Application – Texas Construction Safety Group Through Texas Mutual Insurance Company

Membership in TCA is required to participate in the Texas Construction Safety Group. Membership in one of our member associations usually will qualify a company for TCA membership with no additional dues. Please verify membership with TCA. Eligibility for direct membership is subject to approval by the TCA Board of Directors. A portion of the dues paid to TCA is non-deductible due to lobby tax rules. For the fiscal year 7/1/2026-6/30/2027 TCA estimates that the non-deductible portion of dues paid to TCA is \$82. **Do not pay \$82 for dues. See reverse side for dues chart.** Make dues check payable to Texas Construction Association and mail to address at bottom of this page.
